# Act! Connect

Stay in Touch with your Business

Use Act! from your Smartphone or Tablet[1]

Being connected to your business goes beyond availability. It means being able to better connect with your customers by knowing every relationship detail any time and any place.

Act! Connect makes it easy to stay in touch with your business wherever you are, because a subscription to Act! Connect turns your smartphone or tablet, including iPhone® and iPad®, into a virtual office. This gives you and the members of your team access to your Act! contacts and calendar. Because Act! Connect equips you with your Act! details, you can review recent meeting notes before you head into that customer meeting, start your day by reviewing our meeting schedule so you're always on time, and update customer your contact details, like adding a new phone number, right there, on-the-fly.

When business takes you out and about, remain productive with Act! Connect.

Have the Info You Need Handy

Be productive from virtually anywhere, whether you're traveling or working away from the office. With Act! Connect, you can view, add, and edit Act! contact details, notes, history, and activities from your smartphone or tablet[1].

And of course you can always get to the Act! Connect website from your computer anytime you're online. Supported web browsers include Internet Explorer®, Firefox®, Google Chrome™, and Safari®[1].

- **Have the info you need handy** with access to your Act! contact and calendar details on your smartphone or tablet[1].

- **Use the latest, greatest mobile devices,** including iPhone®, iPad®, BlackBerry®, Android™, and Windows Mobile®[1].

- **Keep your team in lock-step** with Act! Connect, which lets workgroups have shared access to the most recent Act! details.

- **Don't sweat the technical details,** because no complex steps or equipment are required to go live.

- **Be social media savvy** when you import your Google™ and Yahoo!® Contacts into Act! Connect – even link Facebook® pictures to the contacts you keep[2].

Use the Latest, Greatest Mobile Devices

Act! Connect works with the most popular mobile devices, so you have access to your Act! contacts and calendar from iPhone®, iPad®, BlackBerry®, Android™, and Windows Mobile®[1].

"I connect from my iPad® and I love the speed. I like accessing Act! contact details from anywhere,and I can make changes on-the-fly."[3] – Patrick Wolford, Principal, Patrick Henry Properties

Keep your Team in Lock-step

Access the most recent Act! details, no matter which team member last edited a contact's phone number, added a note, or scheduled an activity. Act! Connect includes workgroup sync, so you can designate a single computer or server to sync on behalf of your entire team. That means everyone gets updates without having to sync individually to their computer.

Don't Sweat the Technical Details

With Act! Connect, your contact details, notes, history, and activities are stored safely in the Cloud. Act! hosts the data, so you don't have to.
You get secure access to your informatiom but no complex steps or equipment are required by you to go live.

Be Social Media Savvy

Make Act! Connect your go-to for all things related to managing your relationships and schedule. Not only can you access your Act! contacts and calendar, you can import your Google™ and Yahoo!® contacts into Act! Connect too – even link Facebook® pictures[2] to the contacts you keep, so it's that much easier to put a face to a name.
